A CAPITAL CAMPAIGN FOR GROWTH

“

We have doubled enrollment over recent years, and currently have a waiting list. This campaign will help us to serve more families and meet the growing demand.

Turning to Christian Education

WE ARE LIVING in challenging times. As our society continues to move farther away from traditional Christian values, young people are increasingly challenged to abandon or compromise their faith and embrace a secular lifestyle.

Today's young people encounter a wide array of challenges on their path to adulthood:

About 20% of students ages 12-18 experienced bullying nationwide

Increasing rates of anxiety and depression

Increased sexual pressures

Social media usage heightens risk for mental health problems

A CHANGING CHURCH LANDSCAPE

25% of Americans are practicing Christians

6% of Americans believe in a Biblical worldview

Amid these challenges, there is a priceless opportunity. More and more families are turning to Christian education across the nation. The same is true in the Walla Walla Valley and surrounding communities as families seek options beyond public and secular private education.

*For such a time as this,
Liberty Christian School was founded!*

OUR HISTORY

The Roots Go Deep

2023

The school and the church need more space for their growing ministries

2016

The lease agreement expired

1986

Financial downturn led to school selling the property to a local church with a 30-year lease back agreement

1978-79

Sanctuary and gym added

1977

Today's classrooms built to provide preschool-12th grade education

1975

Jerry Smith starts Liberty Christian School (LCS) in the basement of Amazing Grace Church. The school consisted of preschool and kindergarten.

“

Our children attended Liberty Christian and now 10 of our grandchildren have attended. They got a wonderful faith-based education and did very well in college. We decided to commit to donating to this campaign because it is so important for our grandchildren to have this faith-based education.

—**MARY HARRI**

Grandparent

”

“

At Liberty Christian, there's a culture you encounter the moment you walk in the door. Everyone is family. Every situation is met with a Biblical worldview. Everyone is loved equally.

Teacher and Coach

”

OUR MISSION

We exist to lovingly provide a Gospel-centered, rigorous education and to develop Christ-like character in each student.

Faithful to the Mission

AFTER NEARLY 50 YEARS, Liberty Christian School remains a safe, loving, and academically-rigorous learning environment for children and families. Liberty's non-denominational Christian education model puts God in His rightful place. Science then points to His perfect creation, history becomes His story, and our gifts and abilities are seen as God-given. The result is an education that gives all glory to God and encourages students to see Him in every aspect of life.

ACADEMIC EXCELLENCE, SMALL CLASS SIZES FOR PERSONAL ATTENTION

We have a strong curriculum, highly qualified teachers, and small class sizes to guide our students along a challenging academic course from Pre-K through 10th grade. In addition, Liberty continues to emphasize music, art and athletics as imperative to a well- rounded education.

BECOMING AMBASSADORS FOR CHRIST

The Christian parent's desire for a Christ-centered education cannot be undervalued. The knowledge, wisdom and experience children gain at Liberty Christian nurture the roots that lead to a fruitful, fulfilling and God-honoring life.

Decidedly Christian today and tomorrow

THROUGH THE POWER OF THE HOLY SPIRIT, WE SEEK TO HONOR JESUS CHRIST IN ALL THAT WE DO AND ALL THAT WE ARE, TO THE GLORY OF GOD, BY REMAINING GROUNDED IN THE WORD OF GOD AND NURTURING A BIBLICAL WORLDVIEW IN OUR CULTURE AND INSTRUCTION.

Vital Crossroads

IF LIBERTY CHRISTIAN IS TO MEET the growing demand for Christian education, then we must have a permanent location allowing us to educate students, expand our classroom space, maintain a safe learning environment, and upgrade our technology infrastructure.

Liberty Christian School is at an exciting and vital crossroads. After three years of due diligence, an agreement has been reached to purchase six acres of the historic school property and invest in much-needed upgrades.

What we need for the future is to become deeply rooted where we exist today!

“

It's not just about teaching history or math or science – it's also about shaping their entire worldview – the way they see themselves, other people and the world around them. That's one of the key reasons we chose Liberty Christian.

MAKING MORE ROOM TO EDUCATE CHILDREN

The building purchase will unlock an additional 1,400 sq. ft. of space to turn into classrooms and office space. In addition to purchasing the current property, Liberty is meeting pressing enrollment demands with immediate access to 5,000 sq. ft. of portable space, providing enough room for 192 students per year in the short term. Long term, there's enough land to build other classrooms to support the vision of adding another 100-150+ students, significantly increasing our ability to educate students through 12th grade.

OUR VISION

We believe in every student becoming an ambassador for Christ in this broken, rapidly-changing world.

“

We want our students to develop a personal relationship with Jesus and to have a strong academic background, so when they leave, they have confidence, character, leadership skills and a firmly rooted faith.

—**JORDAN PIES**

God-Sized Vision for Christian Education in the Walla Walla Valley

LIBERTY WORKS HARD to keep student tuition and fees as low as possible to allow families greater access. Thus, Liberty seeks community support from friends like you through this capital campaign to secure funding to purchase and eventually modernize the campus.

THE DEEPLY ROOTED CAMPAIGN

The *Deeply Rooted Campaign* is an ambitious undertaking and only possible because of God's provisions and His people's generosity.

The God-sized goal is to have \$2 million in the bank on 3/20/24 to meet the first payment deadline, after which LCS will receive the deed to the property. We will need an additional \$600,000 by 9/20/24 to meet our final payment deadline. Thanks to many generous giving partners, we are already part way to the first goal and there are numerous outstanding pledges yet to be fulfilled.

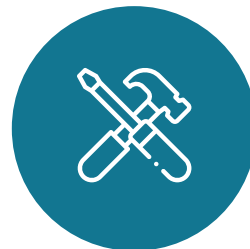

Please prayerfully consider how God may lead you to invest in the campaign. You will join others in the community committed to having a Christian education alternative that equips and encourages students in their walk with Christ, instills Biblical character values, and pursues academic excellence.

“

What we're all about here is being deeply rooted. Investing in Liberty Christian is something that will last for a long time, and it's way bigger than ourselves. It's about investing in future generations.
